DRAWING ESSENTIALS (THEORY AND PRACTICE) (6 SESSIONS X 3 HOURS)

This course introduces the basic aspects of drawing to learners from all walks of life. It is beneficial for learners outside the field of art and design. Learners will be asked to break away from the habitual way of looking at day to day objects in their environment, and to perceive them from an artist's point of view. The course will impart the ability to perceive and transform images or objects into drawings through an understanding of theory and practice.
