Our heartiest congratulations to the Graduating Class of 2020! Today marks the beginning of an exciting new chapter in your lives. The NAFA family is immensely proud of your success and we applaud you for overcoming many trials to reach this major milestone.

This is our first-ever virtual convocation ceremony since NAFA was established in 1938 and I thank you for playing a part to make this endeavour possible. These are exceptional times and you will step into a world of work fraught with uncertainties. However, the future is not bleak for those who face adversity with courage and determination. Armed with the wide range of skills and knowledge you have acquired, you are ready to seize opportunities that abound in unexpected places. I hope you will harness the NAFA spirit of creativity, exploration and resilience to navigate the world out there, push your limits fearlessly and find success.

We encourage you to stay connected to the NAFA family by joining our alumni network. As a generation of graduates who have prevailed under daunting circumstances brought about by the Covid-19 pandemic, you are poised to be an inspiration and role model for the next generation of artists.

Once again, congratulations from all of us at NAFA and we wish you every success in all your future endeavours.

ABOUT THE NANYANG ACADEMY OF FINE ARTS

Established in 1938, Nanyang Academy of Fine Arts (NAFA) is Singapore's pioneer arts institution. The academy is known for its rigorous and high-quality curriculum, innovative and practitioners-led teaching approach, diverse artistic creations and community outreach.

NAFA has nurtured 13 recipients of the Cultural Medallion – Singapore's highest accolade bestowed on art practitioners who have significantly impacted arts and culture. Another 14 alumni have been presented the Young Artist Award. Many of the academy's alumni have gone on to make their mark in the professional arts scene in Singapore and abroad.

The academy offers full-time diploma and degree programmes across three schools: the School of Art & Design comprising 3D Design, Design & Media, Fashion Studies and Fine Art programmes, the School of Music and the School of Arts Management, Dance & Theatre. Diploma courses are aligned with the degree courses offered in partnership with reputable universities in the United Kingdom.

NAFA's courses are designed and delivered by experienced art educators and leading industry practitioners, NAFA's academic schools regularly review and refine their curriculum to reflect the changing needs of the industry.

Since 1999, NAFA has received polytechnic-level funding from Singapore's Ministry of Education. In 2011, NAFA became the first comprehensive arts education institution in Singapore to be awarded the four-year

EduTrust certificate from the Council for Private Education (now known as the Committee for Private Education). It received its third four-year certification in 2019.

NAFA is also the first private arts education institution to launch a government-funded degree programme, namely the Bachelor of Music (Hons) degree course in partnership with the Royal College of Music (RCM) in London. The course marks the first time that RCM is conferring its degrees outside the United Kingdom.

The learning and research needs of NAFA's students and faculty are supported by the resources and activities of the Institute of Southeast Asian Arts (ISEAA), the Tanoto Foundation Centre for Southeast Asian Arts and the NAFA Library. Through academic exchanges, seminars and workshops, NAFA maintains a constant dialogue with educators and scholars across the region and beyond.

NAFA's three purpose-built campus buildings are located in Singapore's Arts & Heritage District, within walking distance to major performing venues, museums and arts groups. The school's newest addition, the Tower Block at NAFA Campus 1, is an eight storey extension above the Bencoolen MRT station with new state-of-the-art classrooms, dance and visual arts studios as well as student interaction and self-study areas.

As an advocate of lifelong learning, NAFA also dedicates its effort to developing a greater appreciation of the arts for all ages.

The NAFA Arts Preschool (formerly NAFA Arts Kindergarten), is the first arts-themed preschool in Singapore. The School of Young Talents offers weekend courses in art, dance, drama and music to 4- to 18-year-olds. For adults, the Centre for Lifelong Education offers enrichment courses and part-time certificate programmes.

With a rich heritage, established track record and an unwavering dedication to the highest standards of arts education, NAFA strives to live up to its mission "to inspire learning and growth through the arts".

About the Award

The Embassy of Peru Award was first presented in 2006. It is presented to the most outstanding degree graduate at the Nanyang Academy of Fine Arts. The award recognises the all-round achievements of the recipient who possesses strong academic performance, good attributes including discipline, diligence and leadership qualities, as well as contributions towards the class, Academy and arts community.

The award is a Tumi from Peru. It is made of solid silver. The Tumi is one of the symbols of Peru. It

has its origin in one of the main cultures in ancient Peru between 1050 – 1476 AD, known as the Chimú Culture. One of the important accomplishments of the Chimú was the establishment of the goldsmith workshops. Among the most famous pieces made were the great ceremonial knives called the Tumi. During the ancient times in Peru, it was used as a knife in ceremonies and surgeries. Later on, it evolved into an art object.

Peru is a country where gold, silver and other metals with artistic character are in abundance and so the Tumi is symbolic of the art and culture of Peru. In Peru, hanging a Tumi on a wall brings good luck.
