# ABOUT THE NANYANG ACADEMY OF FINE ARTS

---

Established in 1938, Nanyang Academy of Fine Arts (NAFA) is Singapore's pioneer arts institution. The academy is known for its rigorous and high-quality curriculum, innovative and practitioners-led teaching approach, diverse artistic creations and community outreach.

NAFA has nurtured 13 recipients of the Cultural Medallion – Singapore's highest accolade bestowed on art practitioners who have significantly impacted arts and culture. Another 14 alumni have been presented the Young Artist Award. Many of the academy's alumni have gone on to make their mark in the professional arts scene in Singapore and abroad.

The academy offers full-time diploma and degree programmes across three schools: the School of Art & Design comprising 3D Design, Design & Media, Fashion Studies and Fine Art Programmes, the School of Music and the School of Arts Management, Dance & Theatre. Diploma courses are aligned with the degree courses offered in partnership with reputable universities in the United Kingdom.

NAFA's courses are designed and delivered by experienced art educators and leading industry practitioners. The academic schools regularly review and refine their curriculum to reflect the changing needs of the industry.

Since 1999, NAFA has received polytechnic-level funding from Singapore's Ministry of Education. In 2011, NAFA became the first comprehensive arts education institution in Singapore to be awarded the four-year EduTrust certificate from the Council for Private Education (now known as the Committee for Private Education). It received its third four-year certification in 2019.

NAFA is also the first private arts education institution to launch a government-funded degree programme, namely the Bachelor of Music (Honours) degree course in partnership with the Royal College of Music (RCM) in London. The course marks the first time that RCM is conferring its degrees outside the United Kingdom.

In 2021, NAFA announced the launch of three new degree programmes for art and design in Singapore, in partnership with the renowned University of the Arts London (UAL). The degrees feature a distinctive transdisciplinary curriculum that nurtures students to develop as versatile artists and designers for an ever-changing arts landscape. With UAL joining RCM and the University of Essex as NAFA's partners, it underscored NAFA's global outlook and foresight in providing strong and diverse academic pathways, cementing its eminent status in Asia.

---

This metamorphic announcement was followed by the establishment of a landmark alliance between NAFA and LASALLE College of the Arts, to launch Singapore's first university of the arts by 2025. The alliance enables both institutions to gather their finest minds and best resources, with the goal of taking local tertiary arts education to greater heights and advancing Singapore's creative talent pool. With this move, NAFA's regional and global prominence in the arts is further cemented.

The learning and research needs of NAFA's students and faculty are supported by the resources and activities of the Institute of Southeast Asian Arts (ISEAA), the Tanoto Foundation Centre for Southeast Asian Arts and the Kwan Im Thong Hood Cho Temple Library. Through academic exchanges, seminars

and workshops, NAFA maintains a constant dialogue with educators and scholars across the region and beyond.

As an advocate of lifelong learning, NAFA also dedicates its effort to developing a greater appreciation of the arts for all ages. The NAFA Arts Preschool (formerly NAFA Arts Kindergarten), is the first arts-themed preschool in Singapore. The School of Young Talents offers weekend courses in art, dance, drama and music to 4- to 18-year-olds. For adult learning, the Centre for Lifelong Education offers certificate, short and customised courses.

With a rich heritage, established track record and an unwavering dedication to the highest standards of arts education, NAFA strives to live up to its mission "to inspire learning and growth through the arts".

## About the Award

The Embassy of Peru Award was first presented in 2006. It is presented to the most outstanding degree graduate at the Nanyang Academy of Fine Arts. The award recognises the all-round achievements of the recipient who possesses strong academic performance, good attributes including discipline, diligence and leadership qualities, as well as contributions towards the class, Academy and arts community.

The award is a Tumi from Peru. It is made of solid silver. The Tumi is one of the symbols of Peru. It has its origin in one of the main cultures in ancient Peru between 1050 – 1476 AD, known as the Chimú Culture. One of the important accomplishments of the Chimú was the establishment of the goldsmith workshops. Among the most famous pieces made were the great ceremonial knives called the Tumi. During the ancient times in Peru, it was used as a knife in ceremonies and surgeries. Later on, it evolved into an art object.

Peru is a country where gold, silver and other metals with artistic character are in abundance and so the Tumi is symbolic of the art and culture of Peru. In Peru, hanging a Tumi on a wall brings good luck.
