**NAFA  
CONVOCATION 2022**

CONGRATULATIONS  
Class of 2022

## MESSAGE FROM NAFA PRESIDENT

---

On behalf of the NAFA family, congratulations to all our graduates for reaching this milestone! Alongside the Class of 2022, this Convocation also sees the Class of 2021 and 2020 join our special occasion to enjoy the first in-person ceremony after a two-year hiatus. Well done on completing your courses and delivering impressive portfolios that trace your growth over the years.

Entering the next phase of your lives will be exciting but may also be filled with challenges. However, I am confident that your education has equipped you with the necessary skillsets and positive mindsets to seize opportunities to shine, and overcome whatever trials that might come your way. Allow NAFA's values of passion, care, and achieving excellence to guide your endeavours as you flourish and surmount various obstacles. Every test is an opportunity to grow, so take them on with courage, humility, and tenacity.

As learning is a lifelong commitment, I encourage you to adopt a growth mindset, and continue to expand your network and skills. Leverage our Training Support Programme to broaden your knowledge, and stay in touch with our Alumni Relations Office to connect with other professionals while being plugged-in to the NAFA community. Know that we will be with you every step of the way and support is just around the corner.

At this juncture, it is important for us to show gratitude to your lecturers, classmates, family, and friends who have been with you through your highs and lows. I would also like to take this opportunity to express my gratitude to all NAFA staff and faculty for making this Convocation a success, and for guiding you through your education.

You have now joined the long list of illustrious alumni who have walked the same halls. Just as you had stood on the shoulders of giants that came before you, go forth to spread your wings now and enrich lives and communities through your practice, and be the positive difference to those around you. At the same time, give back to your community and the next generation of artists and creatives. Become the giants that future NAFA students will stand on. We are most proud of you and will always be here to root for you.

Thank you for being a part of NAFA.

Congratulations once again and all the best for your future endeavours!

**Mrs Tan-Soh Wai Lan**

## NAFA DISTINGUISHED ALUMNI MEDAL 2022

### MAX TAN

Diploma in Fashion Design, 2006

Bachelor of Arts (Honours) Fashion, 2020

Internationally acclaimed fashion designer Max Tan has achieved commercial success with his label, MAX.TAN. Tan graduated top of his cohort from NAFA's Diploma in Fashion Design in 2006 and has since become a global brand with collections featured in Vogue Paris and Vogue Italia.

Tan's numerous accomplishments is a testament to his talent. Most recently, he was awarded the NAFA Entry Scholarship (Degree) in 2019 where he enrolled in the Bachelor of Arts (Honours) Fashion course and was selected as 'Best Graduate' in his cohort.

Tan first catapulted onto the world stage at *Singapore Fashion Week* in 2007 and went on to place as runner-up at *Singapore Fashion Designers Contest* later that year. Following this success, MAX.TAN was the first Asian label to showcase

in prestigious *Modfabriek* (Amsterdam) and subsequently won second place at the *China Fashion Creation Contest 2010*.

With more than a decade of design prowess under his belt, Tan continues to evolve and take his brand to greater heights, with his label now represented by Boon showroom in Paris. Adding to a running thread of career milestones, Tan was commissioned by *Singapore International Festival of Arts* to present a conceptual fashion show, on top of conceiving the costumes for the entire theatre production.

Tan continues to nurture the next generation of young talents as a part-time lecturer at his alma mater, with an active involvement in NAFA's *Scholars Give Back Series* in 2021 and 2022.

### About the Award

The medal is conferred to outstanding NAFA alumni who have contributed to excellence in the arts and design as well as the development of the arts scene in Singapore. This award is to accord them further recognition for their achievements.

The medal was presented for the first time in 2009.

### About the Award

The Embassy of Peru Award was first presented in 2006. It is presented to the most outstanding degree graduate at the Nanyang Academy of Fine Arts. The award recognises the all-round achievements of the recipient who possesses strong academic

performance, good attributes including discipline, diligence and leadership qualities, as well as contributions towards the class, Academy and arts community.

The award is a *Tumi* from Peru. It is made of solid silver. The *Tumi* is one of the symbols of Peru. It has its origin in one of the main cultures in ancient Peru between 1050 – 1476 AD, known as the Chimú Culture. One of the important accomplishments of the Chimú was the establishment of the goldsmith workshops. Among the most famous pieces made were the great ceremonial knives called the *Tumi*. During the ancient times in Peru, it was used as a knife in ceremonies and surgeries. Later on, it evolved into an art object.

Peru is a country where gold, silver and other metals with artistic character are in abundance and so the *Tumi* is symbolic of the art and culture of Peru. In Peru, hanging a *Tumi* on a wall brings good luck.
