

# NAFA CONVOCATION 2023

CONGRATULATIONS

**Class of 2023**

**MESSAGE  
FROM  
NAFA  
PRESIDENT**

**MRS TAN-SOH WAI LAN**  
President

On behalf of the NAFA family, congratulations to the graduating Class of 2023! This momentous achievement is a testament to your persistent hard work and dedication to your practice. You now stand poised to enter a new and promising future.

The arts education that you have received at NAFA is immensely valuable. Our interdisciplinary approach and emphasis on building strong foundations have afforded a sturdy canvas for you to boldly shape your future.

Let's take our Bachelor of Arts (Honours) Performance Making Programme as an example. It is the only degree programme in Southeast Asia where students can deepen their specialisation in either dance or theatre while acquiring valuable transferable skills in production, communication, and the creation of original material. Through collaborations with other disciplines, you will step into the professional world with sought-after interdisciplinary skills that cut across dance and theatre. Similarly, our Bachelor of Arts (Honours) Design Practice Programme provides students with a unique design education that embraces an interdisciplinary and collaborative approach. With a keen focus on the Southeast Asian perspective, the programme fosters an integration of design principles, design forecasting, and problem-solving which transcends conventional design boundaries.

Regardless of your chosen disciplines, NAFA has empowered and trained you to be versatile and all-rounded, to best navigate the complexities of our interconnected world, where technological advancements such as artificial intelligence (AI) has made remarkable strides in various fields. While the impact of AI is significant, I firmly believe that no technological innovation can surpass the value of the human connection—humanity's greatest resource. As artists and creatives, remember to be concerned and empathise with the issues of community, be compassionate, and be indispensable contributors to the community and beyond through your arts.

As you venture forth to hone your skills, remember to express gratitude to the remarkable people who have supported you every step of the way. Stay connected to our NAFA family and become a part of our robust alumni network comprising over 16,000 graduates. Continue to forge meaningful relationships, foster collaboration, push artistic boundaries, and create profound work that resonates deeply with audiences. Be the next generation of future leaders, innovators, and changemakers and personify our mantra of "Courage to Create", to challenge boundaries and fearlessly pursue your passion.

To all graduates, congratulations once again and all the best for your future endeavours.

## ABOUT THE NANYANG ACADEMY OF FINE ARTS

---

Established in 1938, the Nanyang Academy of Fine Arts (NAFA) is Singapore's pioneer arts institution. The academy is known for its rigorous and high-quality curriculum, innovative and practitioners-led teaching approach, diverse artistic creations and community outreach. NAFA is part of the new University of the Arts Singapore (UAS). Supported by the government, UAS will open its doors for its first degree intake in 2024.

NAFA has nurtured 13 recipients of the Cultural Medallion — Singapore's highest accolade bestowed on art practitioners who have significantly impacted arts and culture. Another 15 alumni have been presented the Young Artist Award. NAFA graduates are creative changemakers, highly skilled, and well-rounded in inter-disciplinary approaches. Many of the academy's alumni have gone on to make their mark in the professional arts scene in Singapore and abroad.

The academy offers full-time diploma and degree programmes across three faculties: Faculty of Art & Design comprising the School of Fine Art, School of 3D Design, School of Design & Media, as well as the School of Fashion Studies; Faculty of Performing Arts comprising School of Dance, School of Music, and School of Theatre; Faculty of Interdisciplinary Practices comprising School of Arts Management and School of Interdisciplinary Arts. Diploma courses are aligned with the degree courses offered in partnership with top universities in the world, namely University of the Arts London (ranked

2nd globally for Art and Design since 2019) and Royal College of Music, London (ranked first globally for Performing Arts in 2022).

NAFA's courses are designed and delivered by experienced art educators and leading industry practitioners. The academic schools regularly review and refine their curriculum to reflect the changing needs of the industry.

Since 1999, NAFA has received polytechnic-level funding from Singapore's Ministry of Education. In 2011, NAFA became the first comprehensive arts education institution in Singapore to be awarded the four-year EduTrust certificate from the Council for Private Education (now known as Committee for Private Education). It received its third four-year certification in 2019.

As an advocate of lifelong learning, NAFA dedicates its effort to developing a greater appreciation of the arts for all ages. The NAFA Arts Preschool (formerly NAFA Arts Kindergarten), is the first arts-themed preschool in Singapore. The School of Young Talents offers weekend courses in art, dance, drama and music to 4- to 18-year-olds. For adults, the Centre for Lifelong Education offers enrichment courses and part-time certificate programmes.

With a rich heritage, established track record and an unwavering dedication to the highest standards of arts education, NAFA strives to live up to its mission of "inspiring learning and growth through the arts".

The medal was presented for the first time in 2009.

Isyana Sarasvati is one of the most influential Indonesian female musicians of her generation, who has been through a myriad of transformations from a promising artiste in classical and opera music to having achieved a successful career in pop music. A talented multi-instrumentalist who plays the piano, electone, flute, violin, and saxophone; Isyana graduated with excellent results from the Diploma in Music Performance, with a major in Vocal studies in 2013. She received a scholarship to pursue her undergraduate studies in the Bachelor of Music (Honours) programme at NAFA, conferred by the Royal College of Music (RCM) in London. She also received the RCM Musical Excellence Award during her final year of degree studies and topped the degree cohort to receive the coveted Embassy of Peru Award during the convocation in 2015.

Isyana launched into the pop music scene with her debut album *Explore!* In 2015, which was a massive hit and skyrocketed her career. She has since received more than 55 awards for her musical prowess, including the AMI Awards, the Billboard Awards, the Piala Maya and many others. She has also received international recognition, including the Rolling Stones Awards in 2016 in the category of Phenomenal, as well as the Mnet Asian Music Awards in 2016 for Best Asian Artist Indonesia and Best Composer of the Year in 2017. Notably, she was featured in *Forbes Indonesia's 30 Under 30*, and a year later, honoured yet again by *Forbes Asia's 30 Under 30* in the Entertainment & Sport category. It is her life mission to discover and nurture the next generation of great singers in Indonesia.

In addition to her musical career, Isyana is also actively involved in social outreach programmes such as 'Abuse is not love', a global initiative with the aim of combating violence in relationships with couples. She also regularly participates in charity events around Indonesia.

Isyana maintains her close ties with her alma mater, NAFA and have returned to perform in the Concert Series: *Gloria* at Victoria Concert Hall as soprano solo in 2016, as well as the Academy's first-ever full-scale opera production, "Die Fledermaus: The Revenge of the Bat" in celebration of NAFA's 80th anniversary in 2018.

# EMBASSY OF PERU AWARD

## MANMOHAN AGASTYA

Bachelor of Arts (Honours)  
Design Practice

### About the Award

The Embassy of Peru Award was first presented in 2006. It is presented to the most outstanding degree graduate at the Nanyang Academy of Fine Arts. The award recognises the all-round achievements of the recipient who possesses strong academic performance, good attributes including discipline, diligence and leadership qualities, as well as contributions towards the class, Academy and arts community.

The award is a Tumi from Peru. It is made of solid silver. The Tumi is one of the symbols of Peru. It has its origin in one of the main cultures in ancient Peru between 1050 – 1476 AD, known as the Chimú Culture. One of the important accomplishments of the Chimú was the establishment of the goldsmith workshops. Among the most famous pieces made were the great ceremonial knives called the Tumi. During the ancient times in Peru, it was used as a knife in ceremonies and surgeries. Later on, it evolved into an art object.

Peru is a country where gold, silver and other metals with artistic character are in abundance and so the Tumi is symbolic of the art and culture of Peru. In Peru, hanging a Tumi on a wall brings good luck.

## CONGRATULATIONS AND A WARM WELCOME TO THE NAFA ALUMNI COMMUNITY!

All graduating students of NAFA's diploma, specialist diploma, degree and master's degree programmes are automatically registered as lifelong NAFA Alumni Network members—you are now a member of our growing community of more than 16,000 alumni.

Continue to be a part of NAFA after graduation. The Alumni Relations Office (ARO) at NAFA fosters and strengthens lifelong ties between the Academy and our alumni. ARO is the main point of contact for alumni to get connected with all alumni-related matters. We offer:

- Members' benefits
- Social networking events
- Tripartite collaborations
- Professional development opportunities
- Personal enrichment talks
- Volunteering activities

We have eight local Alumni Chapters set up, one for each school of 3D Design, Design and Media, Fine Art, Fashion Studies, Music, Dance, Theatre and Arts Management. An overseas Alumni Chapter in Shanghai has been formed, with the others in the pipeline. These Chapters support in being the voice of our alumni and connect the Academy and our alumni in meaningful ways.

Keep a lookout for our happenings on the NAFA website, alumni mobile app, and social media platforms. The alumni mobile app, *NAFA Connect*<sup>(1)</sup>, provides a wide range of information on the go, including links to the *Alumni Portal*<sup>(2)</sup> and career portal.

Be a part of this strong network and tap on the diverse resources that NAFA has to offer.

## **Contribute to your alma mater and support your juniors**

We sincerely encourage our alumni to contribute back to the Academy by making a gift towards key programmes, such as the **NAFA Development Fund**<sup>(3)</sup> and **NAFA Education Fund**<sup>(4)</sup>, that support the Academy's growth and benefit our students. You can fund alumni events as well. Your continued support and generosity play a vital role in sustaining and enhancing the educational experience we offer to current and future generations of students.

Graduation marks the beginning of another chapter in your journey. We wish you all the best in your endeavours!

With warmest regards,

## A GIFT OF EMPOWERMENT AND COURAGE

One in every four students at NAFA comes from a humble family background and encounters difficulties meeting the costs of an arts education. Many of them work part-time to supplement their education costs and family finances—often at the expense of their classes. You might know some of them too. Support our mission to extend financial assistance by giving back to NAFA.

As an alumni, your gift, no matter the amount, will be used to support our scholarship initiatives and more importantly, it will send a message of encouragement to your juniors to achieve their dreams

It matters, and you can make that difference.
