- The **Tuition Grant Scheme (TGS)** was introduced by the Government to help students with the cost of tertiary education in Singapore. The Tuition Grant (TG) is provided until the end of the Normal Course Duration (NCD) and the NCD depends on the year of the Degree programme that a student is admitted into.
 - Eligible **Singapore Citizens** are automatically awarded a Tier A Tuition Grant, which is the highest level of tuition fee subsidy, Singapore Citizens thus pay the lowest tuition fees. There is no bond obligation.
 - Eligible **Singapore Permanent Residents (SPRs)** may choose to apply for a Tier B Tuition Grant only. Successful applicants are required to work for a Singapore entity for three years upon graduation.
 - There is no Tuition Grant for **International Students**.
 - Applicants who have graduated from local universities (NUS, NTU, SMU, SIT, SUSS and SUTD) or NAFA or LASALLE College of the Arts MOE-funded Degree programmes are no longer eligible for the Tuition Grant and will have to pay the full programme fees for their study at the Academy.
 - Applicants who have attended MOE-funded degree programmes but did not graduate from the programme will have to pay the non-subsidised fees for the semesters when they are no longer eligible for Tuition Grant.
 - For Singapore Permanent Residents (SPRs), you will be contractually obliged to work in a Singapore entity for three (3) years upon graduation in exchange for the grant received under the Tuition Grant Scheme.
 - SPRs who applied for the grant successfully are required to execute a Tuition Grant Agreement with the Government of Singapore, represented by the Ministry of Education (MOE). Students who do not sign the agreement will have to pay non-subsidised fees for their studies at NAFA.
 - SPRs and International Students who wish to defer their Diploma Tuition Grant bond obligation are required to apply through the MOE TG&S portal (<https://tgs.moe.gov.sg/>) at least 6 weeks before the commencement of your Degree programme/deferment period. The deferment application is subject to MOE's approval on a case-by-case basis and submission of a Banker's Guarantee.
 - SPRs who fail to complete the programme (E.g. course withdrawal or termination) or fulfil their bond obligation, will be required to pay liquidated damages. The amount of liquidated damages is computed based on the total Tuition Grant (inclusive of any GST subsidy) that you have received during the duration of study plus 10% compound interest per annum. The amount of liquidated damages will be reduced proportionately if you have served part of your Tuition Grant bond obligation.
