Frequently Asked Questions (FAQs) on Certificate and Short Courses

[Application Matters](#)

Q1: Who can apply for CLE certificate and short courses?

A1: CLE certificate and short courses are open to adults aged 17 years old and above.

Q2: I am interested in taking a course at CLE; however, I cannot find the application and intake details on the website.

A2: There are specific intakes in a year for our certificate and short courses.

Course	Intake	Estimated month for application
Certificate Course	January	November
	July	May
Short Course	January	November
	March	February
	July	May
	September	August

You can find more details on <https://nafa.edu.sg/courses/part-time> when the courses are open for application.

Q3: How can I submit an application for the course?

A3: You are strongly encouraged to submit your application for the certificate and short courses **online** during the application period. Walk-in applications are strictly by appointment only. Please email us at lifelongeducation@nafa.edu.sg if you wish to do so.

Q4: I have applied for a course and completed the payment. When will I receive a confirmation?

A4: Your place is confirmed when you receive the course commencement details two weeks before the course commencement date.

Q5: The course which I want to apply for is fully enrolled. When can I apply for the course again?

A5: If you prefer to wait for the next intake, you may email us at lifelongeducation@nafa.edu.sg to enrol in our mailing list, and we will send you the course details nearer the start of the course application period. You may also visit <https://nafa.edu.sg/courses/part-time> as the course schedules will be published when the application is open.

Q6: What happens if my course is cancelled?

A6: If the class is unable to proceed due to unforeseen circumstances, NAFA will process a full refund of fees, or alternative courses will be offered to you in these circumstances.

Q7: Why is there a need to provide a health declaration when I apply for the courses?

A7: Our courses are mainly skills-based and we wish to identify those who require special attention to explore specific solutions to meet their learning needs.

Q8: What is the difference between certificate courses and short courses?

A8: Certificate courses have a longer duration and are more detailed compared to short courses. Each certificate course contains two modules and runs for 16 weeks (8 weeks per module). Typically, certificate courses are suitable for individuals wishing to further their professional development. In contrast, short courses (2 weeks to 8 weeks) are ideal for those wishing to learn more about a subject without the pressure of assessment.

Prerequisites and Exemptions (applicable to certificate courses only)

Q9: I am interested in your courses, but I am a beginner. Are there any prerequisites to applying for your courses?

A9: Unless stated in the course description, most of our courses are suitable for beginners without prior knowledge of the subject. For computer-based courses, learners are required to have basic IT knowledge and computer skills. Certificate courses that are offered at the intermediate, advanced and specialist levels have prerequisites.

Q10: I have taken similar courses in the past. Can I be exempted from the basic level and take the intermediate class instead?

A10: Our intermediate level is catered for learners who have graduated from our basic course as they have learned the requisite skills to progress to the next level. We encourage learners to apply for the basic level.

If you wish to apply for exemption, please email us at lifelongeducation@nafa.edu.sg, and we will send you the application-for-exemption form. You can then submit the completed form with the relevant artwork samples for our trainer's review. The cost of this exemption application is S\$ 107 (inclusive of GST), and it is non-refundable.

Q11: When can I apply for an exemption?

A11: You can apply for exemption in March (for the July intake) and September (for the January intake).

Q12: Can I apply for an exemption for the short courses?

A12: No. An exemption is not applicable for short courses.

Payment and Subsidies

Q13: What are the fees that I am required to pay?

A13: You are required to make payment for the course fees. There will also be a one-time payment of \$48 for the Application Fee for the certificate and short courses (valid for 24 months). The materials fee is applicable for some courses only.

Q14: When am I required to make payment for the course?

A14: You are required to make payment upon application to secure a place in the selected course.

Q15: What are the subsidies available for the courses?

A15: The available subsidies are as follows:

Types of Subsidies	Eligibility
SkillsFuture Credit	Applicable to Singaporeans, 25 years old and above
National Silver Academy	Applicable to Singaporeans, 50 years old and above
Union Training Assistance Programme (UTAP)	Applicable to NTUC Union Members

Please visit the weblinks to view more details on the subsidies.

Q16: Do I still need to make any payment if I am using my SkillsFuture credit?

A16: If you are using SkillsFuture credit to pay the full course fees, you do not need to self-initiate payment. If you do not have sufficient credits to cover the full course fees, you are required to top up the balance.

Q17: Can I use SkillsFuture credit to pay for the Application fee or materials fee?

A17: You will not be able to use SkillsFuture credit to pay for the Application fee or materials fee.

Q18: How do I submit SkillsFuture Credit claims?

A18: An email with the application details will be sent to your email address upon completing the application. Please convert the email into a PDF file and submit it as your supporting document during the SkillsFuture Credit claim submission.

Please visit the [SkillsFuture Credit website](#) and log in via your Singpass to submit the claim. You may view [the video](#) from SkillsFuture Credit on the steps to submit the claims.

Q19: How do I submit a claim for UTAP?

A19: You may submit your UTAP claim application via the [U Portal account](#) within six months after the course ends. You may need to provide a copy of your course certificate, course invoice and attendance when requested.

Q20: Is it possible for me to use SkillsFuture Credit and UTAP to pay for the course fees?

A20: Union Training Support Programme (UTAP) is a training benefit for NTUC members to defray their cost of training. An NTUC member enjoys up to 50% *unfunded course fee support each year.

** Unfunded course fee refers to the balance course fee payable after applicable government subsidy. The unfunded course fee must be S\$20.00 and above. This excludes material fees, registration fees, misc. fees etc*

If you have sufficient SkillsFuture credit to pay for the full course fee, you will not be eligible to utilise UTAP as there is no unfunded course fee amount where you need to top up.

Q21: What are the modes of payment for the courses?

A21: You are strongly encouraged to make the payment online using a credit or debit card (VISA or Mastercard). Alternatively, you can make payment by NETS or cheque at the Finance Cashier located at 80 Bencoolen Street, NAFA Campus 1, Wing B, Level 1, Singapore 189655. The operating hours are Mondays to Fridays, 9.00am to 5.00pm. All cheques should be crossed and made payable to "**Nanyang Academy of Fine Arts**". Please write your name and contact number(s) at the back of your cheque.

Q22: I have difficulty making payment and utilising the relevant subsidies for the courses. What can I do?

A22: Please contact us at lifelongeducation@nafa.edu.sg or 6512 1388, and we will guide you through the steps.

Q23: Are the costs of materials (e.g., paintbrushes and watercolour paper) included in the course fees?

A23: The costs of materials are not included in the course fees. For certain courses, the material fee is collected upon application as stated on the website. You will receive a materials list from our trainer via email nearer the commencement date for other courses. You can then purchase the listed materials. Additionally, you may bring along your own materials in the first lesson and consult the trainer on their suitability for use.

Course Administration

Q24: How many learners are there in each class?

A24: Most courses have a limit of 12 learners in each class. Courses held in the computer lab have a limit of 15 to 18 learners in each class.

Q25: Do I need to bring my laptop to the class?

A25: Courses that involve practical sessions on software will be held in the computer lab. You are not required to bring your laptop to the class. However, please ensure that you have the necessary software installed on your laptop before the class if you do not wish to use the desktop in the computer lab.

Q26: I am enrolled in a course that is delivered on campus. Will there be any changes in the course schedule or delivery mode if there is a period of heightened alert?

A26: Yes, for the safety of all trainers and learners, classes may pivot to the online mode. Please await further instructions from your trainer should this happen. NAFA Centre for Lifelong Education reserves the right to alter the rules and regulations, course contents, class schedule, delivery mode and fee structures without prior notice.

Q27: Which platforms do you use for online learning?

A27: We use either Microsoft Teams or Zoom for online learning.

Q28: Do you loan any equipment for online learning?

A28: We do not loan any IT equipment to the learners. For the Applied Arts courses, the software will be provided to the learners.

Q29: If my class falls on a public holiday, will there be a replacement class?

A29: Yes. A replacement class will be arranged if the lesson falls on a public holiday or if the trainer is unwell. The trainer will arrange the replacement class on an agreeable date and time based on the majority consensus.

Q30: Can I attend another class if I cannot attend my class for a particular week?

A30: This will not be possible as there are strict enrolment limits per class to adhere to the trainer-learner ratio and safe management measures. There are also no replacement classes for missed lessons by the learner. All CLE learners must fulfil a minimum of 75% attendance for each course/module.

Q31: I have applied for the course, but I cannot attend it now. Can I withdraw from the course?

A31: Withdrawal requests should be made in writing to NAFA's Centre for Lifelong Education at lifelongeducation@nafa.edu.sg.
