

ART TEACHING FOR SPECIAL NEEDS - WATERCOLOR PAINTING (4 SESSIONS X 3 HOURS)

This course aims to introduce learners to use watercolour painting for work with people with special needs. This course is suitable for teachers and caregivers who are interested to facilitate learning through the arts. Learners will be taught various approaches and techniques to enable those under their care to express themselves through pictorial composition using mark-making tools. Learners will acquire scaffolding techniques of layer colours, dry brush and lines, hatching and cross-hatching.
