

## CHILDREN'S BOOKS ILLUSTRATION (8 SESSIONS X 3 HOURS)

This course introduces the basics of children's books illustration for learners to produce their own children's book. Unlike many children's books illustration workshops that focus only on the writer's perspective while neglecting the illustrator's perspective, learners will be taught skills for handling different mediums and techniques used to enhance the quality of illustration. This course is suited for adult learners with or without any art experience.

### Course Content

- Painting with watercolour, food colouring and batik ink
- Painting with poster colour
- Painting with flat brushes on simple backgrounds
- Colour with markers on different mediums
- Printmaking with different mediums
- Picture book layout
- Collage and dummy making

### Certification:

Learners will be presented with a digital Certificate of Participation upon attaining a minimal 75% attendance rate.
