

FASHION ACCESSORIES MAKING (4 SESSIONS X 3 HOURS)

This four-session short course equips learners with fundamental skills to create fashion accessories. Learners will gain knowledge and skills to produce wearable accessories using mediums such as resin, metal wires, and beads. Techniques such as basic ropework, embroidery and embellishments will also be explored. Learners will learn to develop ideas and design accessories to form a collection. This course is designed for entrepreneurs, fashion designers, stylists and working professionals interested in developing their accessory-making skills or starting their handmade accessories business.

Course Content

- Extracting design from theme images
- Understanding terminology of jewellery parts
- Learning and applying wire wrapping techniques
- Learning and applying basic ropework
- Learning and practising embroidery and embellishments
- Making accessories using resin

Certification:

Learners will be presented with a digital Certificate of Participation upon attaining a minimal 75% attendance rate.

Trainer's Profile:

Hanna Lai

For slightly over a decade, Hanna has toggled her focus between Fashion, Graphic as well as Education, she specializes in design and production for sportswear, menswear and womenswear. During her studies, she was also selected to showcase her collection at the Graduates Fashion Week in London, with her graduate collection alongside top UK and international universities.

Upon completion of her Bachelor's Degree with First Class Honours, she embarked on her career in the fashion industry as a Senior Fashion Designer, Consultant, Arts Educator and Program Leader for several Fashion programs.

While attaining her degree, Hanna was also awarded the grand prize in the Nefful Fashion Discovery 2018 competition, Best Graduate Award and the prestigious Peru Embassy Award - which recognizes well-rounded academic achievers. Her works have also been chosen to be showcased at the India-ASEAN Weaving Textiles Relations as well as NAFA's Best of Best 2018: Creative Differences exhibition.
