

## INTRODUCTION TO SINGING (6 SESSIONS X 2 HOURS)

This vocal training course provides individuals with a conducive space to explore and develop their voice as a musical instrument. Participants will learn fundamental vocal and aural training. The course also encourages music-making collaborations among participants to contribute to the vibrant music community in Singapore. Participants will explore a range of songs within the context of solo, duet, or small ensemble work during group lessons. This course is designed for working professionals, homemakers and senior citizens with no former music training.

### Course Content

- Develop basic musicianship skills through solfege exercises and rhythm games
- Exploring and familiarisation of western music notation on printed sheet music
- Experimentation with songs in various group configurations (such as duets or ensemble pieces)
- Approach song-learning processes with a step-by-step instruction in pitch, rhythm, and lyrics
- Exposure to different rehearsal methods
- Learning how to arrange and divide a solo song for multiple singers

### Certification:

Learners will be presented with a Certificate of Participation upon passing all required assessment and interview, as well as attaining a minimal 70% attendance rate.
