

PASTEL ART WITH MIXED MEDIUMS (4 SESSIONS X 3 HOURS)

This course aims to introduce learners to the basics of producing pastel artworks. Apart from emphasising solely on the use of chalk pastel, learners will also learn to handle both acrylic and watercolour mediums, as well as techniques that can be used to enhance and provide more depth to the artworks. Learners will be producing at least six pieces of pastel artworks. This course is suitable for adult learners with or without art experience.

Course Content

- Techniques of adding, reducing, blending and stencil making on chalk pastel paper
- Experimenting with different mediums, namely acrylic, watercolour and pastel, on canvas, water paper and pastel art papers
- Creating varying art effects, landscapes, and animals

Certification:

Learners will be presented with a digital Certificate of Participation upon attaining a minimal 75% attendance rate.
