

Pre-Orientation

1. Please ensure you have the Zoom application installed in your devices.

If you are using a computer, please click on the link below to install Zoom.

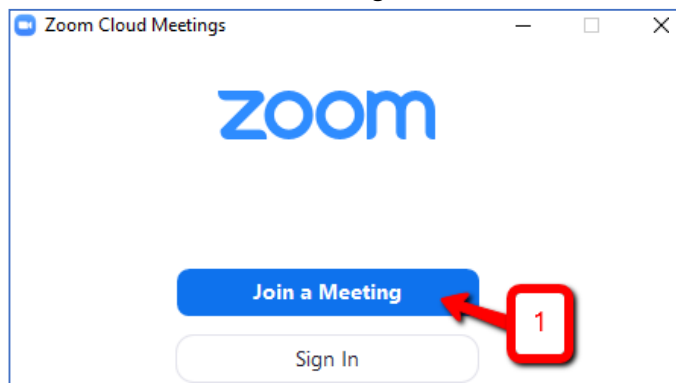

| Students outside of China | Students in China |
|---|---|
| https://zoom.us/download | https://www.zoom-china.com/download/ |

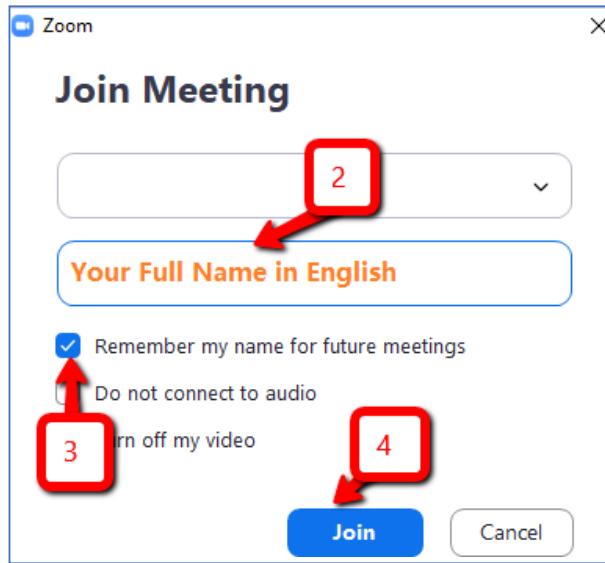

If you are using a mobile phone, please install Zoom from the App Store or Play Store.

2. You are encouraged to sign up for a free Zoom account (<https://zoom.us/freesignup>) and sign in to attend this Orientation programme (Please take note that China users can no longer sign up for a free Zoom account); however, you can choose to join this Orientation without having a Zoom account.
3. Please ensure your videocam and microphone are working.

Orientation House Rules

1. The Webinar will begin promptly at the specific time indicated in the Zoom invitation email. You are encouraged to enter the Webinar room 10 minutes earlier in case of any technical difficulties and will be placed in a Webinar Waiting Room. Access will be granted into the Webinar 10 minutes before the start of the session.
2. Please ensure you are using the **Zoom Application** (either Desktop or Mobile) and not the Zoom web browser for security reasons.
3. Please join the Webinar with your NAFA admission no./ application no./Full Name for easy identification. Access will not be granted if we could not recognise you.

4. The Webinar Host will disable your in-app microphone/video. However, if you wish to ask any questions, you may do so in the Chat and we will get back to you either by replying it during the session or separately by email after the session.
5. Please do not share the Zoom link to others not involved in the Orientation programme for security reasons.
6. This Webinar may be recorded.

7. How to join?

- Click the Zoom link in the Zoom invitation email sent to you. (e.g. <https://nafa.zoom.us/j/.....>)
- Enter the password.
- Please wait while the host is admitting you.
