

The Grad Expectations 2021 Publicity Image

Colours. Curves. Shapes.

The fluidity and dynamics of the visuals represent the adaptability and versatility of NAFA's diverse Graduating Class of 2021. As future-ready changemakers, these traits are embodied by our graduates who see endless opportunities and possibilities even in the most challenging times. While showcasing their talents, their works reflect faith, persistence, resilience, positive-thinking and creativity through adversity.

Witness the NAFA spirit of creativity, exploration and excellence at The Grad Expectations 2021.
