Best of Best Show

8 - 18 July

The Best of Best Show 2021 is an exhibition that distils and features some of the finest works by graduating School of Art & Design students. The exhibition's curatorial framework focuses on the diversity and versatility of the cohort's final-year projects – to flex and evolve, both in real-time and in the long-run. In this collection of ideas, thoughts, and strategies, we explore how these emerging art practitioners and creatives can play a role in making the world a better and more meaningful place.
